Thanks Angela,

I was contacted by Weston, the EPA well sampling contractor, on my drive up here today and I am going to meet with them early tomorrow a.m.

I have also attached examples of the form letters we send to well owners. One is for everything within MCLs and the other has paragraphs for each parameter that might be elevated.

Subject: Gold King Mine Response Private Well Sampling -Contact list

Dennis,

Per our call today at 3:45pm I am providing a contact list for those who will be working with you on the private well initiative. Jenna Manheimer is already in the Farmington area and will be working with you tomorrow. Unless told otherwise she will plan to meet you at the NMED Farmington office tomorrow morning. She will call you in the morning to verify arrangements.
